### **The Lion, the Witch and the Wardrobe Chapter 4:**

- ❖ Discuss the change in the White Witch's demeanor towards Edmund from the start of the chapter to the end and what might be causing this change.
- ❖ Discuss Edmund's change in reaction to the White Witch. At first he doesn't want to go with her, but after receiving Turkish Delight, he doesn't want to leave.
- ❖ The White Witch tells Edmund that their meeting will be their little secret. How does evil use secrets against us? How might the White Witch use it against Edmund?
- ❖ Edmund feels sick after eating so much Turkish Delight. Can too much of a good, or seemingly good, thing ever be a bad thing? Why or why not?
- ❖ Edmund knows the White Witch is dangerous, but also wants to taste that Turkish Delight again. Is Edmund going through something like an addiction? If so, how might he recover from it?
- ❖ Edmund claims that "everyone knows" that Fauns can't be believed. Why do people like Edmund use this sort of argument, and why do others believe them?
