Here are some questions to help get you started with your discussion.

The Lion, the Witch and the Wardrobe Chapter 6:

- ❖ Peter is quick to apologize and Lucy is quick to forgive. Apart from them being family, why do you think they were able to be reconciled so quickly?
- ❖ Edmund keeps foiling his own plans. Why do you think that is?
- ❖ Peter has a very limited reaction to Edmund's revelation that he, in fact, *had* been in Narnia before. Why is Peter's reaction so limited? Do you think his conversation with the Professor had an impact on his reaction? Why or why not?
- ❖ Why do you think Susan and Peter, the practical thinkers of the group, come to the conclusion that helping Mr. Tumnus is the right thing to do?
- ❖ Discuss Peter's conclusion that Tumnus must be on the "right side" because he "saved Lucy." How *can* we tell who is good and who is not?
