Here are some questions to help get you started with your discussion.

The Lion, the Witch and the Wardrobe Chapter 16:

- ❖ What do think of Susan asking if it's safe with all the restored creatures, especially considering that the children asked the same question about Aslan with the Beavers?
- ❖ Why is it that Lucy always seems to make friends and finds almost everyone she meets to be “nice”?
- ❖ Why is it so important to the lion that he has a camaraderie with Aslan through their species?
- ❖ How might you compare what happens here to the end of the portion on The Son in the Apostles' Creed?
