Here are some questions to help get you started with your discussion.

Prince Caspian Chapter 1:

- ❖ We learn that Peter, Susan, Edmund, and Lucy are going back to school a year after being sent out into the country during World War II. Is it significant that their adventure took place in a fantasy world during this time of war before they return to a life similar to what they knew before?
- ❖ Does the use of magic bringing them back into Narnia seem similar to the magic in *The Magician's Nephew*? Why or why not?
- ❖ Do the children seem like they have spent a lifetime, albeit in the span of a few moments in the Wardrobe, as kings and queens in Narnia? Why or why not?
- ❖ Why do you think the children were called? Why do you think they were called to this particular location?
